

Dear Fellow Attorney or Mediator:

Thank you for loving our Lord and thank you for your interest in expanding your service to Him through the Global Advocates General Counsel ministry.

As believers, we know that the most important work we can do for the Lord is to take the Gospel to those who have not heard. Thus, ANM affirms the important work of traditional missions through the years and up until today. However, it is clear that these missionaries cannot complete the task alone. And they need not do so!

Around the world, there are tens of thousands of born-again believers who are laboring to take the Word to their own people. These **indigenous or native missionaries** already speak the local language(s), function well in the culture, and can go where Westerners are not permitted. What's more, they are able to do their work with much less financial support than needed by a foreign missionary—many at just \$30 a month. Some estimate that 80% of world evangelization today is being done by indigenous missionaries.

So how do you fit in? Indigenous missionaries need our help. Although their commitment is strong and their dedication complete, their resources are scarce. On the other hand, we have access to resources at a level native missionaries cannot even imagine. By partnering with indigenous missionaries, the team is complete and the Gospel can be spread further and faster!

Global Advocates is an ANM ministry that enables you to be a part of this team. By advocating for native missions through the GlobalAdvocates General Counsel ministry, you will have the opportunity to work alongside some of the most dynamic and courageous men and women you will ever meet. Your partnership will be an encouragement and blessing to our brothers and sisters more than you can imagine! As a Global Advocates General Counsel, you can use all your resources and connections to directly assist those on the front lines of world evangelization. Moreover, you will be offering opportunities for others to do the same. You will also be able to serve the Lord both at home and abroad.

Enclosed is a brochure that describes ANM's Global Advocates ministry in more detail, along with the Global Advocates General Counsel Guidelines, Global Advocates General Counsel Data Sheet, and the Global Advocates General Counsel Commitment. Please pray about whether the Lord would have you expand your service to Him through Global Advocates. If you feel so led, or if you have questions, please give us a call at (434) 823-7777 and ask for the Global Advocates Coordinator. Or just complete the Data Sheet and Commitment and mail them to the Global Advocates Coordinator at the letterhead address. We'll proceed as the Lord leads!

Thank you for considering Global Advocates as an avenue to contribute directly to world evangelization. We hope the Lord will lead you to work alongside ANM in supporting indigenous missions. But however He leads you, we pray for many blessings on you and your family and for much good fruit from your service.

Sincerely,

Alexis I. Crow, Esq.
Director, Global Advocates
